

We miss you and hope you're back at school soon!

Here are some things that you can work on **EACH DAY** that you are away.

Read	<ul style="list-style-type: none">- Read for 20-30 minutes.- Tell someone about what you have read.- Share your thinking about what you have read (connections, things you are wondering, etc.).
Write	<ul style="list-style-type: none">- Pick a writing idea from the calendar <u>or</u> pick anything else you would like to write about.- Write as much as you can!- Reread what you wrote to make sure that your message is clear for your audience.- Share what you wrote with someone at home.
Math - Basic Facts	<ul style="list-style-type: none">- Practice your basic facts (+ - x) using your flashcards.- Play a math game (Multiplication War, Addition War, Spiral, Skunk, Line Up*) or another math game that you have at home.
Math - Large # practice	<ul style="list-style-type: none">- On scrap paper create 10 large number addition and subtraction equations to solve. For example: $2\ 354 + 4\ 692 =$ $9\ 534 - 2\ 408 =$- Please show your work and have someone check your answers.
Other	<ul style="list-style-type: none">- Looking for additional learning opportunities? Please check out our classroom website for more ideas.

*Instructions to the math games can be found on our classroom website.

**When you return to school, I will help you catch-up on any important work that you may have missed.
